The Chaudhary family are also involved into hospitality business running Restaurants and Banqueting since 1982 under the name of Volga Palace in Delhi, India.

MISSION AND VALUES

Mission : Investing in global profitable innovations will enable us to have long-term growth.

Values : To provide our clients competitive and premium quality commodities and services in the most reliable and cost effective manner.

BUSINESS AREAS

We focus on our fundamentals and ensure a good balance between them. We offer added value to our customers by understanding people's needs. Profitability gives us financial strength and stability that allow us to plan and act with a long-term perspective. We never compromise on our values: common sense and simplicity, working together and daring to be different. Nor do we compromise on our promise: on fair terms.
